HR PRACTICAL TRAINING — DAY 01

Final Daily Work Log & Performance Record

28 September 2026 | Status: **COMPLETED**

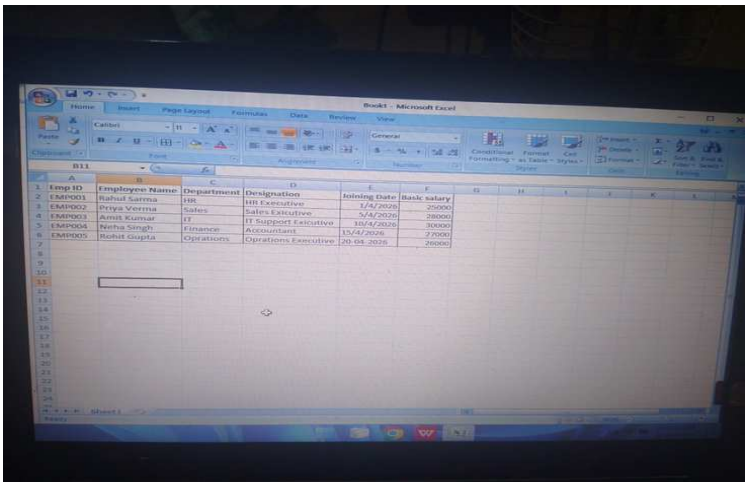

Start	Approx. 2:36 PM IST
Final workbook upload	28 Sep 2026, 4:54 PM IST
Recorded work window	2 hr 18 min (start-to-upload evidence window)
Main work	HR Excel workbook creation, correction and final QA

Attendance / Evidence

Attendance photo submitted in chat and retained here as Day 01 evidence. The second image shows the Excel work in progress. The timing above uses the recorded chat start and the timestamp associated with the final workbook upload; it is not presented as an independently verified clock-in/clock-out record.

Excel work evidence

Work Completed

7-sheet HR workbook completed: **Employee Master, Departments, Recruitment Tracker, Attendance, Leave Tracker, Salary Report, HR Summary.** Leave and salary calculations were formula-based; joining dates were checked as Excel dates; department naming was made consistent as **Operations**; final workbook was reviewed with no remaining correction.

Day 01 Performance

Area	Result
Task completion	Completed — all assigned workbook sections finished
Data accuracy	Final workbook checked and corrected
Excel practice	Formulas, structured tables and HR summary completed
Documentation	Attendance + work evidence recorded
Overall status	Good practical performance — Day 01 successfully completed

Documentation note: This is a self-directed HR practical training work-log, not an employer-issued experience certificate.
