Day 02 attendance photo

Work Completed

Created a professional HR Job Description, prepared a 10-candidate database, screened all 10 candidates against the job requirements, recorded Shortlisted/Rejected decisions with remarks, and created a formula-based Recruitment Summary.

Screening Result

Metric	Result
Candidates screened	10
Shortlisted	9
Rejected	1
Candidates with 1–3 Years	9
Vacancies	2

Performance

Task completion: Completed. **Recruitment practice:** Candidate screening and shortlist/rejection reasoning completed. **Excel practice:** Formula-based summary and structured data management completed. **Overall Day 02:** Good practical performance.

Documentation note: This is a self-directed HR practical training work-log, not an employer-issued experience certificate.
