Final QA Check

The submitted workbook was checked sheet-by-sheet. The five interview dates are now correct: 02-Oct-2026 for C001/C002 and 03-Oct-2026 for C003/C004/C005. The five-candidate evaluation is consistent, including C004 = Hold. No correction is required for the extra blank rows below the evaluation data; they do not affect the five candidates.
