HR Practical Training — Day 05 Final Report

Attendance & Leave Management

Attendance / Work Evidence

Training date: 02 October 2026 | Approx. start time from chat/photo context: 12:48 PM IST. Workbook file timestamp: approximately 8:13 AM IST in the runtime metadata; because the available timestamp and chat context are not a verified clock-in/out record, no exact duration is claimed.

Day 05 Work Completed

Item	Result
Employee Master	3 employees
Attendance Register	10 days × 3 employees
Present Days	25
Absent Days	3
Leave Days	2
Total Attendance Records	30

Final QA Check

All four sheets were checked. The attendance formulas correctly return 8/1/1 for Ankit, 9/1/0 for Ravi, and 8/1/1 for Pooja. Total Working Days uses COUNTA across the 10 attendance cells and correctly returns 10 for each employee. Leave approval statuses are correctly shown as Approved. The summary correctly returns 3 employees, 25 present days, 3 absent days, 2 leave days, and 30 attendance records. No correction remains.
