HR PRACTICAL TRAINING — DAY 11

Labour Law & HR Compliance

Training Type: Self-directed practical HR training / project work-log

Date: 08 October 2026

Status: COMPLETED

Timing Evidence: Day 11 work was completed on 08 October 2026; exact start/final submission clock times were not independently verified.

1. Objective

To practice maintaining a basic HR compliance register, employee compliance records, a compliance calendar, and a management summary while understanding the difference between compliance master data, calendar status, and employee-level compliance status.

2. Work Completed

• Compliance Master — 10 compliance areas, requirements, frequency, responsible person and status

• Employee Compliance — employee records, ID proof, qualification, bank, PF, ESIC and overall status

• Compliance Calendar — compliance activities, frequency, due dates, responsible person, status and remarks

• HR Compliance Summary — compliance and employee action KPIs

3. Key Results / KPI

Metric	Result
Total Compliance Items	10
Active Compliance Items	10
Pending Calendar Items	10
Completed Employee Records	8
Pending Employee Records	2
Employees Requiring Action	2

4. Practical Skills Applied

• COUNTIF / COUNTIFS-based HR compliance reporting
• Employee compliance tracking
• Compliance calendar and due-date monitoring
• Overall employee compliance status logic
• Understanding the difference between master status and calendar status

5. QA / Final Review

• Compliance Master records verified
• Employee compliance results verified: 8 Complete, 2 Pending
• Calendar status verified: 10 Pending
• Summary metrics cross-checked against source sheets
• Pending Calendar Items correctly linked to Compliance Calendar rather than Compliance Master

6. Completion Note

The day's assigned practical training work was completed and reviewed based on the submitted Excel/project evidence. This document is a training/project completion work-log and is not an employer-issued employment or experience certificate.
