SALES EXECUTIVE PRACTICAL TRAINING

Day 26 Completion Report — Zoho CRM & Customer Management

Training Day	Day 26
Date	29 October 2026
Platform	Zoho CRM
Evidence	User-provided Deals Stage View screenshot

Tasks completed

• Opened the Zoho CRM dashboard and explored the Sales modules.

• Created five practice Leads.

• Reviewed Contacts and Accounts.

• Created a practice Deal and reviewed the Deals module.

• Created a follow-up task for Amit Verma and confirmed it was visible in Tasks/Activities.

• Opened Reports and confirmed that CRM reports were visible.

• Reviewed the Deals Stage View / Kanban board. The supplied screenshot shows Qualification and Needs Analysis stages.

Screenshot observations

The screenshot shows Zoho CRM → Deals in Stage View. Visible columns include Qualification and Needs Analysis. A practice deal for Verma Trader appears with amount Rs. 85,000 and closing date 15/11/2026. The board also contains sample CRM records; this report does not assume every visible sample record belongs to the trainee.

Skills practiced

Lead management, Contact and Account records, Deal creation, follow-up task tracking, report navigation, and understanding sales stages in a CRM pipeline.

Recommended next practice

For Day 27, practice updating deal stages according to genuine customer progress, planning follow-ups, and reviewing pipeline/forecast reports. Do not mark a deal Closed Won unless the sale is confirmed.
